There would probably have been no more to it than that if Wilson hadn't seized the gun and turned it on the Chironians who were about to intervene, at which point another Chironian had shot him dead from the back of the room.. Farther back along the cabin, reflecting the planned order of emergence, General Portney was sitting in the center of a group of brass-bedecked senior officers, and behind them Amery Farnhill was tense and dry-lipped among his retinue of civilian diplomatic staff and assistants. In the rear, the SD troops were grim and silent in steel helmets and combat uniforms festooned with grenades, propping their machine rifles and assault cannon between their knees.., Colman stared hard at him for a few seconds. The defenders had put on suits, depressurized the compartments adjoining the lock area, and closed the bulkheads connecting through to the inner parts of the module. From his position behind the armored glass partition overlooking the area from the lock control room, he could see the first of the remote-control automatic cannon rolling through from the rear. "Hurry up with those RCC's," he shouted into his helmet microphone. "Yellow section take up covering positions. Green and Red prepare to fall back to the longitudinal bulkhead locks." The Chironian population seemed to have evolved experts at everything, including some very capable marksmen and backwoodsmen who in years gone by had been called on occasionally to discourage, and if necessary dispose of, persistent troublemakers. Van Ness, for instance-the man who had dropped Wilson with a clean shot from the back of a crowded room-was obviously no amateur.
