Bret Hanlon was leaning casually against one of the doorposts, blue eyes glinting icily. His huge shoulders seeming almost to reach the other side of the door. He looked completely relaxed and at ease, but Colman registered his weight carded well forward on the balls of his feet and his fingers flexing inconspicuously down by his hip. The two corporals glanced at each other apprehensively. Hanlon's appearance altered the odds a bit. Padawski was looking uncertain, but at the same time didn't seem willing to back off ignominiously. For a few seconds that dragged like minutes, the charge in the room crackled at flashpoint. Nobody moved..Jean shook her head. "There must be something-the Chironians! He'd have to believe them. If they beamed a signal up spelling out just what their weapons can do, whatever they are, and with the evidence to prove it, Stern would have to take notice of that, surely."."And exactly what is that supposed to mean?" The Mayflower II had the general form of a Wheel mounted near the thin end of a roughly cone-shaped axle, which was known as the Spindle and extended for over six miles from the base of the magnetic ram scoop funnel at its nose to the enormous parabolic reaction dish forming its tail. "On your way?" lean asked Pernak.. came at hand; half measures were fatal. The shorter-term price to be paid was regrettable, but when had Nature ever offered free lunches? And in the longer term, what did it mean anyway? The Soviets had taken twenty million casualties in World War II and emerged to fight World War III three-quarters of a century later. And in that conflict the U.S. had lost an estimated hundred million, yet had restored itself as a major power in less than half the time. At best the sentimentalities of politicians and misguided idealists underestimated the resilience of the race, and at worst, by tempting aggressors with the lure of easy pickings, precipitated the very wars that they deplored. Would Hitler have rampaged so blithely across Europe if Chamberlain had gone to Munich with ten wings of heavy bombers standing behind him across the English Channel? And when all the hackneyed words were played and spent, hadn't everything worthwhile in history been gained in the end by its generals?. started to get up.
